EXPERIENCE PRO

AV TECHNICIAN MARCUS EVANS, Montreux

present time

- Set up and operated LED WALL, live broadcast stage and professional AV infrastructure for high-visibility corporate events.
- Managed camera operations and BMD Atem switcher along PowerPoint slides, ensuring seamless end-to-end delivery under pressure.
- Collaborated with team to troubleshoot real-time issues.

AV TECHNICIAN DORIER (P&G), Geneva,

2024

- Installed Polytech systems and configured multicam shoots with PTZ cameras and VMIX. Produced and streamed live webinars using OBS studio and Cisco Webex for global P&G audiences, handling hybrid production (studio + remote participants).
- Managed audio/video signal flow using DANTE controller, encoding, and confidence monitoring during executive-level sessions.

AV TECHNICIAN United Nations & ILO, Geneva

2023/24

- Operated Televic/TAIDEN mics, T-Rex recording, and moderated Zoom/ Teleconference sessions for international delegates and Chairs.
- Provided real-time troubleshooting and signal routing for live-recorded productions.

VIDEOGRAPHER FREELANCE

2020/23

- Produced corporate video content: Shooting, Editing, Color grading.
- Delivered high-quality hybrid/streamed outputs for clients, focusing on professional look and reliability.

BUSINESS OWNER/DIRECTOR FILM A CREATION, EVIAN

2012/19

- Directed full-cycle productions: client brainstorming, script/shot list writing.
- Managed crew and budgets for corporate and creative projects.
- Editing and color grading for cinematic look.

CONSULTANT VIDEO SPECIALIST LUXAN, Geneva

2011/12

- Organized sales visits - liaising with existing clients.
- Preparing tenders, proposals and quotations. Assisting customers for camera package and AV equipments.

EARLIER ROLES (Consultant/Sales Engineer –LUXAN Geneva, TVPROGEAR Los Angeles, B&H NYC)

- Provided tech support, demos (cameras, switchers, teleprompters...), and client-facing quotations/proposals.
